### GRITS Disaster Fund Raffle Update

Thanks go to all who have purchased a raffle ticket already, but we still have tickets left and would really like to sell all 500 of the tickets ordered. Remember that your donation helps people in so many ways! Winter is around the corner - that's heating season - and unfortunately some homes are not heated safely. Funds raised are used to help offset the expenses from home fires, natural disasters, financial issues, etc. Please buy your ticket TODAY and if you are able to sell a few for us, let Connie Bazemore know (912) 659-2188. Drawing will be held next Sunday at our Anniversary Dinner.

## Habitat Home Build

Thanks to everyone who volunteered at the Habitat home build. A lot of progress was made on the home we are partnering with. Habitat has a workday every Saturday from 8-2 so feel free to join them anytime to volunteer. Please fill out waiver online at [habitatec.org/volunteer](http://habitatec.org/volunteer), or scan the code below.

They have plans underway for a 3rd annual fundraiser gala on December 2. Please consider sponsoring a table of 8 and attending the event. Bible has allowed use of the building for this event in the past and will be hosting it again this year. We are also in need of silent auction items and sponsors for the dinner. Check with Connie Bazemore for more details.

# November 6 - 19, 2022

IN HONOR OF RETIRED EDUCATOR'S DAY (November 6, 2022)

THANK YOU TO ALL OUR DEDICATED TEACHERS BOTH PAST AND PRESENT!!

A geography teacher was giving a lesson on map reading, trying to explain to his class about latitude, longitude, degrees and minutes. Towards the end of the lesson, he asked his students, "Suppose I ask you to meet me for lunch at latitude 19 degrees, 7 minutes north and longitude 39 degrees, 13 minutes east?" After a moment of confused silence, one student volunteered, "I guess you'd be eating alone, sir!"  
(Yes, every teacher has been there!)
