Joke of the Week: A man, his wife and his cranky mother-in-law went on vacation to the Holy Land. While there, the mother-in-law passed away. The undertaker said she could be buried in the Holy Land for \$150 or shipped home for \$5,000. After consideration, the man decided to ship her home.

"Why? Why spend \$5,000 when you could bury her here for \$150?" asked the undertaker.

The man replied, "A man died here 2,000 years ago. He was buried here and three days later he rose from the dead. I just can't take that chance."
