Joke of the Week:

Our fourth grader celebrated his birthday on crutches and was unable to carry the cupcakes his mother had made into school without help. I asked his brother, Noah, to help carry them in. "I could," he said, "but I'd prefer not to." Spotting a wonderful teaching moment, I asked, "What would Jesus do?" Noah answered, "Jesus would heal him so he could carry his own cupcakes."

-- Sometimes a teaching moment just plain backfires!
