Out of the Mouths of Babes:

A grandfather was walking through his yard when he heard his granddaughter repeating the alphabet in a tone of voice that sounded like a prayer. After a moment, he asked what she was doing. The little girl explained, "I'm praying, but I can't think of exactly the right words, so I'm just saying all the letters and God will put them together for me because He knows what I'm thinking."

May we always have this kind of faith!
